

35 Year Veteran Unit Bar

This is a very special Blue and Gold Banquet for Cub Scout Pack 175. We are celebrating the birthday of Scouting and the thirty-fifth birthday of our own Cub Scout Pack 175. The Boy Scouts of America recognizes this great achievement by allowing all of the members of our Pack to optionally wear a Veteran Unit Bar on our uniforms. In honor of this milestone, your award packet contains a special 35 Year Veteran Unit Bar for your uniform. The Veteran Unit Bar is worn directly between and touching both the bottom of the Council Shoulder Patch and the top of the red and white Pack 175 unit numerals on the left sleeve of your uniform. Our Cub Scouts can wear this Veteran Unit Bar on their uniforms for the remainder of their Cub Scouting years.

To simplify attaching the 35 year Veteran Unit Bar to your uniform, we are offering the following trade in offer:

- I want to TRADE IN my new 35 Year Veteran Unit Bar and pay an additional \$2.25 to order one custom patch with the 3-digit Pack 175 red and white numerals and the 35 Year Veteran Unit Bar integrated into one single patch.

- I want to keep my new 35 Year Veteran Unit Bar and pay an additional \$3.45 to order one custom patch with the 3-digit Pack 175 red and white numerals and the 35 Year Veteran Unit Bar integrated into one single patch.

- I want to order an additional individual 35 Year Veteran Unit Bar at the cost of \$1.20 each.

Please do NOT attach your 35 Year Veteran Unit Bar to your uniform if you plan to trade in your new 35 Year Veteran Unit Bar. We can only return them to the Scout Office if they are unused. Please trade in your unused Veteran Unit Bar, your payment for the cost of the integrated patch, and this completed form to your Den Leader before our March 26, 2002 Pack Meeting.
